WORKED EXAMPLE · MCW-AS15 · KEEP SEPARATE

Worked example: Application deadline planner

One filled-in choice with an invented program, and the countdown worked back from its deadline.

1. **Choice 1: an invented BC college, Diploma in Design · deadline 31 January**
   Copy the deadline from the program page and note where you found it.
2. **Documents: transcript, portfolio · Fee: from the portal**
   Write the fee shown at checkout, not a remembered number.
3. **Applied through EducationPlannerBC**
   EducationPlannerBC: apply to any of B.C.'s 25 public post-secondary institutions in three steps. Source [1]
4. **Countdown: references by early December**
   Eight weeks before 31 January is the first week of December.
5. **Submitted: tick, plus confirmation number**
   Save the confirmation email in a folder for each school.
