Worked example: Interview practice cards

What a strong answer includes for each card. Job Bank's advice is marked with its source.

1. **Education, skills, experience, one trait**
   Job Bank: be prepared to tell the interviewer about your education, training and skills, work experience, and personality traits. Source [1]
2. **Link the job to what you've done**
   Name one task from the posting and one example that fits it.
3. **Your part, the team's goal, the result**
   Keep the spotlight on what you did.
4. **Problem, what you tried, outcome**
   A small, real problem beats a big, vague one.
5. **Own it, then the fix and lesson**
   Choose a real mistake that isn't central to this job.
6. **Your actual method**
   Calendars, lists, blocking study hours: show it with an example.
7. **Facts from your research**
   Job Bank: research the company and the job at the application stage. Source [1]
8. **Two prepared questions**
   Job Bank: prepare a couple of questions that show you are informed about the company. Source [1]
