U SPORTS Policy 50.10.2.4 defines an Athletic Financial Award as any award that is conditional on being listed on the official U SPORTS Eligibility Certificate and administered by the university's awards office, including scholarships, bursaries, prizes, leadership awards, merit awards, housing and other related non-employment financial benefits from the institution. Policy 50.10.3.1.5 says there is no restriction on the number of AFAs a student-athlete may receive in one academic year, except that they may not aggregate to more than the value of tuition and compulsory fees of the student-athlete.
