APEGA work experience record (Alberta engineers)

Log each engineering job by month, with your validator, so your work record is ready when you apply to APEGA.

NAME _____ DATE _____

Employer	Position	Country	Start	End	Months	Validator and contact

EXAMPLES I CAN USE FOR THE COMPETENCIES

SOURCES (CHECKED 2026-11-26)

APEGA says you must provide at least 48 months of engineering experience, supported by validators and references, on the Work Record Validator List. https://www.apega.ca/apply/membership/professional-member/work-experience/engineers (checked 2026-11-26)
APEGA says that from July 18, 2026 all professional engineer applicants use the revised competency-based assessment, which adds eight Canadian work environment equivalencies to the existing 22 competencies. https://www.apega.ca/apply/membership/professional-member/work-experience/engineers (checked 2026-11-26)
