Cost to finish my program, and what one class costs

Compare finishing full-time with finishing part-time, then work out what each class session costs you, using your own fees and timetable.

NAME _____ DATE _____

COST TO FINISH

	Full-time plan	Part-time plan
Courses or credits left		
Terms left		
Tuition and fees per term		
Living costs per term		
Total (terms × (fees + living))		
Earnings per term while studying		
Net cost to finish		

WHAT ONE CLASS COSTS

Course	Course fee for the term	Class sessions in the term	Cost per session (fee ÷ sessions)

Use your own fee statement and timetable. Some schools charge a flat fee above a course load and some charge per course; check your school's fee page.
