Transfer-credit map

List the courses you've taken, find each match at the new school, and record where you checked it.

HOW TO USE IT

1. Write each course you took: code, name and credits, from your transcript.
2. Look it up in the provincial transfer tool. Write the match and the source.
3. Tick confirmed only when the new school says so in writing.

HOW THE TOOLS WORK

BC Transfer Guide (bctransferguide.ca)

1. Choose **From** if you've taken a course and want to see where it gets transfer credit.
2. Choose **To** if you need a particular course and want to see where else you can take it.
3. **Course to course** shows how single courses transfer. **Block transfer** covers a group of courses, like a certificate or diploma.

ONTransfer (ontransfer.ca)

4. **Transfer pathways:** how programs connect across Ontario schools.
5. **Course transfer:** how single courses you've completed may be recognized at another Ontario school.

Questions for the new school's admissions or transfer office

TRY THIS

Keep your course outlines. Schools often ask for them when a course isn't already in the transfer tool.

CHECK

A match in the tool is a guide. The receiving school decides, so get the final answer from them in writing.

WHAT THIS SHEET LEAVES OUT

Alberta's Transfer Alberta (it didn't load for us today, so we don't quote it), Quebec, other provinces, and credits from outside Canada.

WITH A PARTNER

Swap maps. Can your partner find the source for each match from what you wrote?
