COLOR-BY-ANSWER · DOCUMENTS · ALL STUDENTS

Which document proves what?

Match eight Canadian documents to what they prove, then colour the window by who issues each one.

HOW TO PLAY

1. Read each clue. Pick the matching document from the bank (A to H) and write its letter.
2. Write who issues it: IRCC, Service Canada, your school, or the province.
3. Colour pane 1 to 8 in the window using the colour for that issuer. No crayons? Draw the symbol.

Colour by who issues it

- ● **Green** = IRCC
- ▲ **Yellow** = Service Canada
- ■ **Blue** = Your school
- ◆ **Orange** = The province

Why colour by issuer? When a document is lost or wrong, the issuer is who you contact to fix or replace it.

TRY THIS

List the documents you actually hold, where each original is kept, and where a copy lives. Never keep the only copy in your phone.

CHECK

Names and dates on every document should match your passport. If one is wrong, contact the issuer before you need it.

WHAT THIS SHEET LEAVES OUT

Visitor visas, work permits, provincial attestation letters and other provinces' health cards. Rules change, so read the linked pages for your own case. This is classroom review, not immigration advice.

WITH A PARTNER

One person reads a clue aloud; the other names the document without looking at the bank. Swap after four.
