BEFORE I SUBMIT

- [ ] Copied the deadline from the official page, including the time and time zone
- [ ] Noted what happens if the deadline falls on a weekend or holiday, if the page says
- [ ] Asked the graduate office about any earlier internal deadline
- [ ] Transcripts, references and the research proposal are in the format the page asks for

NSERC's CGRS Master's page says the award is $27,000 for 12 months and that the application deadline is December 1 before 8:00 pm (ET), or the next business day if December 1 falls on a weekend or federal holiday, via the Research Portal. Other awards have their own official pages. Do not copy a dollar amount or deadline we have not opened; use the official page.
