STEPS

- [ ] Checked whether I was enrolled automatically through my fees
- [ ] Found my plan's opt-out deadline
- [ ] Compared coverage line by line
- [ ] Read whether I can opt back in later
- [ ] Submitted the opt-out with proof before the deadline
- [ ] Saved the confirmation and watched for the refund

Each plan sets its own deadline, eligibility and refund. Read your own plan's page; once you opt out you may not be able to rejoin that year.
