BEFORE YOU SUBMIT

- [ ] Each choice is open or waitlisted when I add it
- [ ] I've read the admission requirements shown for each program
- [ ] I've allowed time for documents and a study permit, if I need one
- [ ] I know which changes are possible after I submit

On the OCAS international application, how many programs you can add depends on the institution: some allow three, some only one. https://help.ocas.ca/international/docs/making-your-program-choices (checked 2026-11-26)
OCAS says you can remove and add choices while the application is in Draft; once submitted and in Review, you can't delete or re-rank choices. https://help.ocas.ca/international/docs/making-your-program-choices (checked 2026-11-26)
