MICRO-CREDENTIALS I'M CONSIDERING

Micro-credential	Offered by	Length and format	Cost	Why it helps me

BEFORE I BUY OR ENROL

- [ ] Asked my instructor whether an open or library copy is acceptable
- [ ] Searched the open textbook collections in the sources
- [ ] Checked the library's e-book and course reserve
- [ ] Checked how a micro-credential is recognised before paying

Open textbooks are free to use under their licences. Your instructor decides which edition counts for the course.

SOURCES (CHECKED 2026-11-27)

eCampusOntario's Open Library says you can get free textbooks and educational resources. https://openlibrary.ecampusontario.ca/ (checked 2026-11-27)
BCcampus runs the B.C. Open Collection of open educational resources, including open textbooks. https://open.bccampus.ca/ (checked 2026-11-27)
Ontario says micro-credentials are rapid training programs offered by postsecondary institutions across the province, and they take less time to complete than degrees or diplomas. https://www.ontario.ca/page/micro-credentials-ontarios-postsecondary-schools (checked 2026-11-27)
Check current OpenStax's free textbook list on the official page. https://openstax.org/ (checked 2026-11-26)
