Peer-review publication tracker

Track manuscripts from draft through submission, revision and decision. Record venues, dates and file names so you can find what you sent.

NAME

DATE

THIS MANUSCRIPT

WORKING TITLE

CO-AUTHORS (AS THEY SHOULD APPEAR)

CORRESPONDING AUTHOR

TARGET VENUE (FROM THE JOURNAL OR CONFERENCE'S OWN PAGE)

HISTORY

Version or action (draft, submitted, revision, accepted, withdrawn)	Date	Venue	File name / submission id	Next deadline

BEFORE I SUBMIT OR RESUBMIT

- [ ] I have the venue's current author instructions
- [ ] Co-authors have agreed to the version I will send
- [ ] Any required ethics, data or funding statements are in the package
- [ ] I saved the submitted PDF and the confirmation email

Journals and conferences set their own rules. This tracker does not replace those instructions or your authorship agreements.

SOURCES (CHECKED 2026-11-27)

Check current tri-agency guide on contributions, if you are listing publications on a scholarship application on the official page.
