Scholarship essay outline

A structure and questions, not a sample essay. Answer the award's actual question in your own words.

NAME _____ DATE _____

Before you write: Copy the award's question and criteria word for word from its official page.

Note the word limit and the deadline.

Structure: Opening: one moment that shows why the award's purpose matters to you.

Evidence: two examples that match the criteria, with what you did and what changed.

Plan: how the award helps your studies, in concrete terms.

Close: tie back to the criteria in one sentence.

Replace every [bracket] with your own words.
