How to start a project

Beat the blank page: define the task, list what you don't know yet, break it into chunks, and pick a first step that takes 15 minutes.

NAME _____ DATE _____

In one sentence, what does the instructor want?

What does a great result look like (rubric points)?

What I don't know yet:

My first 15-minute step, and when I'll do it:

CHUNKS

Chunk	Hours	Date
