SOURCES (CHECKED 2026-11-27)

StudentAidNL's full-time how-to page says that to apply for full-time funding you must create a StudentAidNL account or sign into your current account to complete and submit your application. By completing the full-time application and submitting all required forms and documentation, StudentAidNL will assess your application for federal and provincial financial assistance. https://www.gov.nl.ca/education/studentaid/full-time-students/how-to-apply/ (checked 2026-11-27)

Before you start, the how-to page says you will need personal information (Social Insurance Number, line 15000 of your previous year's income tax return, other financial resources or income such as RESPs, investments or scholarships, complete mailing and permanent addresses, and current or cell phone numbers) and program information (program name, institution name and campus if applicable, start and end dates for the current academic year, and tuition and required fees). https://www.gov.nl.ca/education/studentaid/full-time-students/how-to-apply/ (checked 2026-11-27)

The Forms and Documentation page says requirements depend on your situation. Students can submit forms by email (studentaidmailbox@gov.nl.ca), fax (1-709-729-2298), or mail, and should include the last three digits of their Social Insurance Number in the email. If you fax or email a document, it is not necessary to mail the original. https://www.gov.nl.ca/education/studentaid/forms-and-documentation/ (checked 2026-11-27)

To apply for part-time funding, StudentAidNL says to create an account or sign in and submit the part-time application. Required forms and documentation are: a Program Cost Form; a part-time spouse's or common-law partner's declaration, if it applies; a copy of your 2024 Income Tax Notice of Assessment for proof of income (2025 for a 2026-27 application); and a copy of your spouse's or partner's notice of assessment if it applies. Students applying as a student with a disability must submit the Verification of Eligibility Form unless StudentAidNL has already accepted that status. https://www.gov.nl.ca/education/studentaid/parttime/ (checked 2026-11-27)
