Cornell notes page

A note-taking layout: cues on the left, notes on the right, a summary at the bottom. Print one per lecture.

NAME _____ DATE _____

Header: Course: [code] · Lecture: [topic] · Date: [date]

Cues (left column, fill in after class): [Question this section answers]

[Key term]

[Formula or name to remember]

Notes (right column, during class): [Main idea]

• [Supporting point, example or diagram]

• [Point the instructor repeated or said will be on the test]

Summary (bottom, within a day): [Two or three sentences in your own words]

Still unclear: [question to ask in office hours or a tutorial]

Replace every [bracket] with your own words.
