Course grade tracker (weighted marks, four courses)

Track every mark against its weight for up to four courses, see your running average, and work out what you need on what's left.

NAME _____ DATE _____

COURSE 1

Course 1: assessment	Weight %	Mark %	Weight × mark

COURSE 2

Course 2: assessment	Weight %	Mark %	Weight × mark

COURSE 3

Course 3: assessment	Weight %	Mark %	Weight × mark

COURSE 4

Course 4: assessment	Weight %	Mark %	Weight × mark

Running average = total of (weight × mark) ÷ total weight marked so far. Weights come from each course outline.
