AWARD NAME AND RENEWAL GPA

TERM BY TERM

Term	Credits this term	Term GPA	Cumulative GPA	Meets Dean's List numbers?	Meets award-renewal GPA?

Cutoffs are set by each faculty or award and can change. This sheet only compares the numbers you copied with the GPA you enter. It is not a Dean's List decision and not a renewal decision. If a live official page disagrees, the live page wins.

CHECKS

- [ ] Cutoff copied from the current faculty calendar or official awards page
- [ ] Credit minimum copied too, not only the GPA
- [ ] I used my school's own grade-point scale
