The official IELTS Academic page says: choose the IELTS Academic test if you wish to study at undergraduate or postgraduate levels, or if you are seeking professional registration, for example doctors and nurses. It says IELTS Academic can be taken at a test centre or remotely online, the test time is 2 hours and 45 minutes, and the format is the same wherever it is taken. Listening and Speaking are the same in Academic and General Training; Reading and Writing are different. Canadian college and university admissions pages that ask for IELTS usually mean Academic — always check the program's own page. https://ielts.org/take-a-test/test-types/ielts-academic-test (checked 2026-11-27)

The official IELTS 'Booking your test' page is where test takers book. It says IELTS can be taken at a test centre (IELTS says more than 4,500 locations in over 160 countries) or, in many countries, as an online test, and it links 'Find a test centre'. In Canada, IDP IELTS Canada also publishes a booking route from ielts.idp.com/canada. Book only through official IELTS or IDP pages; this site does not sell tests or prep. https://ielts.org/take-a-test/booking-your-test (checked 2026-11-27)

CELPIP's test overview says there are two types of CELPIP tests and tells test takers to confirm which version they are required to take. CELPIP - General evaluates speaking, reading, listening and writing and, CELPIP says, is used for permanent residence applications, professional designation, and by universities, colleges and vocational programs. CELPIP - General LS evaluates speaking and listening only; CELPIP says it is used for citizenship applications. The two tests are not interchangeable. Confirm the test your school or program names. This site does not give visa or citizenship advice. https://www.celpip.ca/take-celpip/overview/ (checked 2026-11-27)

CELPIP's official overview and take-CELPIP pages link 'Find a Test Date' (celpip.ca/take-celpip/find-a-test-date/) and a registration/sign-in portal to book. The Canadian price CELPIP published for CELPIP - General on the overview page is $299 plus taxes where applicable; international pricing varies. Book only on official CELPIP pages. Official free practice is listed on CELPIP's prepare pages (webinars, a sample test, and a practice test with a CELPIP account). This site does not sell prep. https://www.celpip.ca/take-celpip/overview/ (checked 2026-11-27)
