This sheet does not log in to ScholarTree, ScholarshipsCanada, Student Awards or Yconic, and it does not import or sync applications. Use it as your own record and follow each official application page. ScholarTree's site (checked 27 November 2026) says students can create a profile, get matched to scholarships and apply on the site, and that it is free for students. Other databases are linked from the scholarship CRM page on this site; confirm current instructions on each site.
