Scholarship ROI worksheet (award value vs application hours)

Compare awards by the dollar value of the award and the hours you actually spend applying. This is not a chance-of-winning figure.

NAME _____ DATE _____

AWARDS I AM COMPARING

Award	Amount if received (CAD)	Hours I spent (or expect to spend)	Dollars per hour if received (amount ÷ hours)	Received? (Y/N/pending)	Notes

AFTER RESULTS (OPTIONAL)

TOTAL HOURS SPENT _____

TOTAL AMOUNT ACTUALLY RECEIVED (CAD) _____

DOLLARS RECEIVED PER HOUR SPENT _____

Dollars per hour is only the award amount divided by your hours, and only if you receive the award. This sheet does not estimate your chances and does not tell you which award to apply for.
