SQ4R reading worksheet

Read a chapter actively: survey it, turn headings into questions, read, recite the answers, write them down and review.

NAME _____ DATE _____

COURSE _____ READING (CHAPTER, PAGES) _____

Survey: headings, bold words, figures and the summary I skimmed:

QUESTION, READ, RECITE, RECORD

Question I made from a heading	Answer in my own words (after reading)

Review: the three most important ideas

What I still don't understand (ask in class or office hours)
